

## DEVELOPMENTAL DAY CLINICS

### WHERE WILL YOUR PATH TAKE YOU?

Developmental Day Camp Session 1. 18 June- 21 June. \$365

Developmental Day Camp Session 2. 25 June- 28 June. \$365

Two separate day clinics designed for the beginning to intermediate player. The small camp size (Max. 90) will maximize individual instruction and allow the camper to excel at his own speed.

Eligibility: The clinic is open to boys ages 7-14. Campers will be separated by age to maximize their education.

Location: The clinic will be held entirely at the Navy Marine Corp Memorial Stadium. Each camper will have their own locker in the Navy locker room for the week.

Coach to camper ratio: In previous years, the clinic has offered a camper to staff ratio of 6 to 1. One of the best ratios available in any camp. This low ratio will maximize their positive experience.

Registration: Register on-line at [www.navylacrosse camps.com](http://www.navylacrosse camps.com) Check-in will begin on the first day of each camp at 8:30AM in the NAVY-MARINE CORPS MEMORIAL STADIUM.

What's Included: Navy reversible, water bottle, camp enrollment & free ticket to a Navy lacrosse game.

What to bring: Lacrosse equipment (helmet, mouthpiece, shoulder pads, elbow pads, gloves and a stick) & lunch.

Confirmation packet: Once we receive your enrollment form we will e-mail you a confirmation packet containing additional important information.

Camp Staff: All navy camps have the common goal of developing a camper's ability and exposing him to the Midshipman concepts of honor, integrity and discipline. Our camps have boasted one of the best counselor to camper ratios of 6 to 1, and are staffed by the finest college and high school coaches in the country. Current and former Naval Academy lacrosse players are used to offer a well rounded camp experience
